

Teamwork

The video "Teamwork" teaches you about the importance of teamwork in the workplace. Communication is important to good teamwork. Sometimes that means talking others into using your ideas or suggestions. This is called persuasion.

Try This!

Being able to persuade others to accept your ideas is an important teamwork skill. But it takes practice. Choose one of the topics below. In the box, write the topic and state your opinion for or against. Then fill in the speech bubbles with three reasons you would use to convince others to agree with you.

Topics:

Paying students to get good grades
Banning cell phones at school
Having recess every day, all grades
Banning homework on weekends

Increasing minimum wage
Making public transportation free
Making state colleges free
